## Part-time FD – Financial Services

### Description

FD Capital are recruiting for a long term client in Central London.

We are seeking a highly skilled and motivated part-time finance director to join our London-based financial services business. As a vital member of our team, you will play a key role in driving our M&A activities, refinancing initiatives, and business partnering efforts. The ideal candidate will possess a deep understanding of the financial services industry, with a focus on mergers and acquisitions, refinancing strategies, and effective business collaboration. If you are a proactive and results-oriented individual with exceptional analytical and communication skills, we encourage you to apply for this exciting opportunity.

This role is 3 days per week, with the potential to go full time in 9 months time. The role will involve the recruitment of the full-time Finance Director which the business seeks longer term.

It involves hybrid working from a central London base, and is inside IR35 paid via our umbrella partner.

### Responsibilities

1. Mergers and Acquisitions (M&A):
  - Conduct thorough financial analysis and due diligence to evaluate potential acquisition targets.
  - Develop financial models and projections to assess the financial impact of M&A transactions.
  - Collaborate with cross-functional teams to facilitate and coordinate the M&A process, including negotiations, deal structuring, and contract review.
  - Provide strategic recommendations to senior management based on comprehensive M&A analysis.
2. Refinancing:
  - Assess current debt and financing structures to identify opportunities for refinancing or restructuring.
  - Analyze market trends and conditions to develop refinancing strategies that optimize the company's capital structure and minimize costs.
  - Collaborate with internal and external stakeholders to negotiate favorable terms and conditions for refinancing transactions.
  - Monitor and manage refinancing activities, ensuring compliance with regulatory requirements and financial covenants.
3. Business Partnering:
  - Engage with various business units and stakeholders to understand their financial needs and goals.
  - Provide financial analysis, insights, and recommendations to support decision-making and drive business performance.
  - Act as a strategic partner to business leaders, offering financial expertise and guidance in areas such as budgeting, forecasting, and
