Part-Time Finance Director – Farnborough – Hampshire

Description

Job Title: Part-time Finance Director

Company Internet Services Company

Location: Farnborough, Hampshire

Company Overview:

Our client an Internet Services Company, is a dynamic and innovative provider of internet services based in Farnborough, Hampshire. They specialise in delivering high-speed connectivity, cloud-based solutions, and managed services to businesses of all sizes. Their commitment to technological excellence and customer satisfaction has positioned them as a leader in the industry. They are currently seeking a skilled and experienced Part-time Finance Director to join our team and provide strategic financial guidance on a flexible basis.

Job Overview:

As the Part-time Finance Director, you will play a crucial role in overseeing the financial management of this Internet Services Company. Working closely with the executive team, you will be responsible for financial planning, budgeting, analysis, and reporting. Your expertise will be essential in driving financial performance, ensuring compliance, and supporting the company's growth strategy. This part-time position offers flexibility, allowing you to contribute to our success while maintaining a work-life balance.

Responsibilities

1. Financial Planning and Analysis:
 - Develop and implement financial strategies aligned with the company's objectives.
 - Assist in the preparation of annual budgets, forecasts, and financial plans.
 - Monitor financial performance, analyze variances, and provide actionable insights.
 - Conduct financial analysis and modeling to support decision-making processes.
2. Financial Reporting and Compliance:
 - Oversee the preparation of accurate and timely financial statements.
 - Ensure compliance with accounting standards, tax regulations, and reporting requirements.
 - Implement and maintain effective internal controls to safeguard company assets.
 - Collaborate with external auditors and manage the audit process.
3. Cash Flow Management and Treasury:
 - Manage cash flow, working capital, and liquidity to support operational needs.
 - Forecast cash flow requirements, optimize cash holdings, and manage financing activities.
