Part-Time CFO London

Description

Our client requires a Part-Time CFO/GFD to work alongside and guide its senior team in the execution of their business plans. This is a well known brand in the media / publishing sector, based in London.

In particular, this role ensures:

- All material financial risks are adequately identified and controlled, and the finance function is set up in such a manner that it can support the delivery of the group strategy.

[Recruiting a London CFO](#). We specialise in the London CFO Recruitment space.

Responsibilities

Key Responsibilities & Tasks

- 2 days per month working with the 2 key CEOs conducting a monthly performance review of the financial & business outputs.
- 3 days per month working directly with the finance team as they deliver an improving service to the operating subsidiaries.
- 1 day per month preparing for, attending & dealing with the outcomes of the monthly board meeting.
- 3 days per month dealing with simplification/cost reduction/new business generation projects.

There are high expectations that the role holder will make a significant difference to the business by:

- Reinforcing an “add value, mitigate risk” mindset
- Challenging the existing ownership & cost structures.
- Working with the CEOs of the operating subsidiaries to optimise their current businesses & extend into new areas.
- Developing the existing finance function to become an exemplar for social enterprises.
- Developing risk management systems that lead to tangible positive outcomes.
- Enabling critical thinking & outcome modelling for the many new business opportunities that arise from being such a well-known brand.

Qualifications

ACA / CIMA Preferred

Agile thinking

- The ability to understand & challenge the business strategy
- The ability to drive business benefits through simplification of structures & processes
- The ability to work collaboratively across a number of different & disparate businesses
- an understanding of & ability to implement risk management systems
- The ability to inspire & direct a small finance team
- Active management of key external relationships
